Summer Camp

2018

Recreation is essential to the development of our children and youth

A **Child's Oasis** values children and is committed to making sure that our camp is designed and delivered in a way that respects and nurtures each and every child and helps them be the best they can be.

Our Goal is to create an environment where each child can experience and learn creativity, cooperation, competence, commitment and confidence.

Our Camp Program provides a positive, supportive setting that helps children develop their individual strengths and sense of wonder.

Our Staff is committed to positive interactions and creating magical moments for children that last a lifetime!

Themes

All about me...

Scrapbook pages, hobbies, time capsule, express yourself!

Pan Am Games

Calling all athletes! Participate in your very own Oasis-sized Pan Am Games! Through a variety of friendly sport competitions, active games and individual skill challenges, Campers will get to compete like their favourite athletes!

Minute to Win it!

Centered around challenges of escalating difficulty using everyday household items such as cups, gum balls, pop bottles, cards, dice, noodles, cotton balls. It's all in how they are put together in what is called the "blueprint" for each challenge. These challenges require patience, practice, perseverance, and in many cases luck. Here is the kicker, each game or challenge needs to be completed successfully in 60 seconds.

Splish Splash Bash

Get your bathing suits ready because it is going to be a super wet couple weeks! Activities include water balloon toss, sand castle creations, ultimate water challenges and we will learn about Creatures of the Sea!

Canada's Got Talent/Potluck Lunch

End of camp tradition. All are welcome to attend!
